POLICE CHIEF NICK SATHER

Dear Residents of Red Wing,

It is with great pride and gratitude that I present to you the Red Wing Police Department's Annual Report for 2024. This document reflects not only our operational achievements but also the deep commitment of our officers, staff, and community partners in fostering safety, trust, and collaboration throughout our city.

2024 was a year of progress, resilience, and adaptation for our department. We navigated challenges ranging from staffing shortages, leadership changes, high-profile cases, discussions on space limitations in the current Law Enforcement Center to implementing new strategies and technologies that enhance our ability to serve you effectively. Through it all, our guiding mission has remained clear: to provide professional, compassionate, and equitable policing to every member of our community.

A few highlights from this year include:

- Community Engagement: Expanding programs and creating an internal community outreach group to strengthen relationships with residents and foster open dialogue.
- Public Safety Initiatives: Introducing extra traffic safety events, reviewing city ordinances, police policies, and adjustment to the department structure to address the needs of the department and the community.
- Officer Development: Investing in training programs focused on de-escalation techniques, cultural competency, and leadership development, ensuring our officers are equipped to meet the needs of a diverse and dynamic community.

None of these accomplishments would have been possible without the dedication of our sworn and civilian personnel. Their unwavering commitment to excellence is the foundation of our success. I also want to extend my thanks to our community members for your continued support, input, and partnership. Together, we are building a safer and stronger Red Wing.

As we look ahead to 2025, we remain focused on our core values of integrity, accountability, and service. We will continue to prioritize transparency, adapt to new challenges, and work collaboratively to ensure Red Wing remains a safe and vibrant place to live, work, and visit.

Thank you for your trust and support. I encourage you to review this report to gain a deeper understanding of our efforts and to engage with us as we strive to serve you better every day.

Chief Nick Sather
