

SLIP WAITING LIST POLICY

Ole Miss Marina, owned and operated by the City of Red Wing, hereby sets the policy of the Slip Waiting List at both Ole Miss Colvill and Ole Miss Bay Point Marina. The Slip Waiting List will fill the vacancy in the following order:

1. The Public Works Director or his/her designee reserves the right to re-assign slips to be compatible with boat size or for safety reasons.
2. A slip renter currently at Bay Point has precedent to move within the Bay Point Marina. Precedent within each dock first and then to other docks. Precedent will be a Red Wing resident followed by a non-resident of Red Wing.
3. A slip renter currently at Colvill has precedent to move within the Colvill Marina. Precedent will be a Red Wing resident followed by a non-resident of Red Wing.
4. A slip renter currently at the Colvill Marina may move to Bay Point Marina upon an opening. Precedent will be a Red Wing resident followed by a non-resident of Red Wing.
5. A boater that only has winter storage at Ole Miss Marina and must winter store the preceding boating season. Precedent will be a Red Wing resident followed by a non-resident of Red Wing.
6. A boater that is not renting at Ole Miss Marina. Precedent will be a Red Wing resident followed by a non-resident of Red Wing.

The City defines "residents" to include all persons who pay City of Red Wing property taxes. Therefore, those whose dwelling is within the City, along with property owners regardless of whether the property is classified as residential, homestead or commercial property. A P.O. Box alone would not establish residency without additional verification that the person's dwelling was within the City.

Also, those claiming residency in other states for income tax purposes and not owning real property in the City of Red Wing corporate limits shall not be classified as a resident.

Red Wing residents shall only have precedent for a slip at the Marina after being on the list by November 1st of the preceding boating season.

Each name will be dated as to when they are placed on the slip waiting list.

The slip waiting list will continue to the following year unless there is notification to be removed from the list. Every effort will be made to contact potential slip renters in the order they appear on the waiting list when a slip becomes available. The potential slip renter has one week to notify the Marina after notification of availability or the next person on the list will be contacted. If a boater cannot be contacted or has chosen not to slip with us, the next person on the list will be contacted.

New Slip Charges

Slip renters making moves to a different slip will be subjected to the new price changes. The size of the boat is determined by the given manufacturer's measurements.
