

2025 HAULED WASTEWATER PERMIT APPLICATION

_____ hereby makes application to the City of Red Wing to deposit hauled wastewater, including septage and holding tank wastewater, at the City of Red Wing Hauled Waste Disposal Facility, and hereby agrees to pay all discharges at the established rates and service charges and to conform strictly to and abide by all the rules, regulations, and ordinances of said City relative to disposal of wastewater and to any special conditions that may be identified on the Permit. Hauled waste generated from outside the Corporate City limits will not be accepted from commercial haulers whose business address is outside the City limits.

Fees

An annual permit fee of \$150 must accompany this Application. Applicant must submit a Certificate of Insurance. The following disposal fees will apply per the 2025 City council Adopted Fee Schedule.

Domestic Septage and Satellite Toilet Waste	\$106.05/1000 gallons(\$25.43/ton)
Residential Domestic Holding Tank Wastewater (not septage)	\$47.54/1000 gallons(\$11.40/ton)
Leachage Dumping by Permit Only:	\$14.18 gallons
Industrial Holding Tank Wastewater (prior approval required)	\$106.05/1000 gallons
