GOODHUE COUNTY EXPLORER POST 916

Giving Youth ages 15-20 the exciting opportunity to interact with and learn about Law Enforcement

What is an Explorer Post?

- Explorers are a coed branch of the Boy Scouts of America. The purpose of the Explorer Program is to provide young adults with an opportunity to "explore" a career and receive training in that career. This Program gives an inside look at the fast pace and demanding career of Law Enforcement. Members of the Explorer program go through training similar to new Police Officers and college students.
- The Explorer program offers youth the opportunity to build a relationship with their local Law Enforcement community and the opportunity to serve their own community.

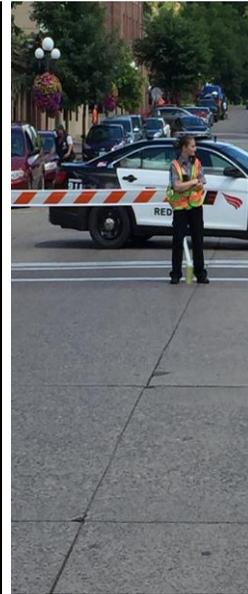

Explorers participate in scenario based activities taught by Law Enforcement Advisors.

The National Exploring program holds competitions at the State and National level annually using scenarios.
