

## Single Sort Curbside Collection of Recyclables.

The City of Red Wing provides bi-weekly collection of single sort recycling. All of your recyclables can go straight into the cart – no need to sort.

- Place at the curb **before 6:30 a.m.** on the designated recycling day for your area.
- All Recycling must be in the cart for collection. Any extra or larger volumes of recycling can be brought to the Solid Waste Campus.
- A city-wide map is provided to help you find your collection zone.
- Collection is provided on a bi-weekly basis. A calendar of collection days for your area is also provided.

If an additional recycling cart is needed, the City can provide one for an additional monthly fee. Please contact the Solid Waste Campus for additional information.
