

Thanks to you, we've already made an impact on reducing waste! Here's how the numbers look in Week 1:

27 food scrap bags collected at curbside!

132 lbs. of food scraps saved from the incinerator in the pilot neighborhood alone.

116 lbs. of food scraps dropped off at our Solid Waste Campus site!

This week we collected a grand total of **248 lbs.** food scraps that will be turned into compost! Congratulations!

Your contributions are helping build healthier soil and reduce our city's carbon footprint—keep up the fantastic work!

This campaign is supported by grant funding from the Minnesota Pollution Control Agency.
