

Thanks to you, we've already made an impact on reducing waste! Here's how the numbers look in Week 5:

**39** food scrap bags collected at curbside!

**126 lbs.** of food scraps saved from the incinerator in the pilot neighborhood alone.

**151 lbs.** of food scraps dropped off at our Solid Waste Campus site!

This week we collected a grand total of **277 lbs.** food scraps that will be turned into compost! Congratulations!

Your contributions are helping build healthier soil and reduce our city's carbon footprint—keep up the fantastic work!
